From Dave Freed "The Tomato Guy" email dave2040@gmail.com

Many people do not want to make their own accessories. I'm retired, enjoying life and don't want or need a job or income selling accessories however, if I can add a little more success to your tomato growing-- I'm happy to make these.

No payment today. Payment upon delivery. If not home leave payment under your front door mat.

Quantity

- _____ \$24.00 each --- **Most popular Self-Watering Containers.** Solves the problem of watering. Uses regular heavy duty cage
